

K2 HOCKEY CLINICS

PRESENTS...

The 27th Annual Power Skating Clinics & Conditioning/Puck Skills Clinics

“EXPERT INSTRUCTION
FROM
PROFESSIONAL EDUCATORS”

Fact: Power Skating is the most important skill in the game of hockey. Having the ability to skate effectively means having the ability to play more effectively.

Fact: Most coaches do not teach the “Science of Skating” and therefore the players are not efficient skaters.

K2 HOCKEY CLINICS 2024

PROFESSIONAL INSTRUCTOR PROFILES

Kevin Knibbs-K2

(Director of K2 Hockey Clinics)

Kevin has directed or instructed hockey schools for over **40 years**. He played professional hockey in the Premiere Division in Germany, Varsity hockey at the University of Manitoba, Senior A and Junior A. He has coached male and female hockey teams at the AAA level and was a member of the Hungarian U-18 coaching staff at the IIHF Pool A Div 1 World Championships and the Mac's Major Midget tournaments. He has taught and been an administrator at Junior & Senior High Schools.

Ryan Olynyk

(Head Instructor)

Ryan played Varsity hockey and has instructed hockey schools for over **35 years**. He has coached female hockey teams at the AAA level. Ryan has a Masters of Education Degree and teaches in Calgary.

Danika Knibbs-Holt

(Head Instructor)

Danika played Alberta Major Midget Female AAA, Tier 1 in the Southern Alberta Women's Hockey League, and three years in the City of Saskatoon in the ASHL. She has been a head instructor of all ages and levels for over **20 years** with K2 Hockey Clinics and Black Elk Hockey School. Danika teaches and runs the Hockey Canada Skills Program at Oilfields High School.

Chris Williamson

(Head Instructor)

Chris played professional hockey in Switzerland, Sweden, USA and Australia. He received his degree while playing NCAA hockey and also played in the MJHL with Steinbach Pistons. Chris has instructed with numerous hockey schools in Canada.

*K2 Hockey Clinics teach the
"Science of Skating and Puck Control". These
Clinics stress the techniques of skating.*

All sessions coached by Professional
Educators with extensive experience in
hockey as players, coaches and
instructors.

Minimum registrations must be achieved
in each level in order for clinics to run.

*K2 Hockey Clinics has delivered
specialized hockey clinics at elite hockey schools
in Czech Republic, Australia, Hungary,
United States & Canada!*

NEED TO KNOW

Group assignments: Power skating participants
are assigned to their group by K2 Hockey Clinic
staff. You will be contacted with your assigned ice
time in mid August.

Equipment: Full hockey equipment is required for
both clinics including sticks and a personal water
bottle (name on bottle please).

Inappropriate behavior will not be tolerated. A skater
will be given a warning and if the behavior persists,
will be asked to leave the program with no refund.

K2 HOCKEY CLINICS

"The Hockey School that comes to you!"

*K2 Power Skating Clinics provides
5 engaging & active ice sessions with
3 instructors on the ice at all times!*
